**Wednesday, March 11** • Somerville High School, 81 Highland Avenue, Somerville

**5:30 PM:** Project Open House     **6:30 to 8:30 PM:** Meeting Presentation and Questions

Directions and more project information are available at [www.GreenLineExtension.com](http://www.GreenLineExtension.com)

The Green Line Extension Project is an initiative of the Massachusetts Executive Office of Transportation, in coordination with the MBTA. The project will extend existing MBTA Green Line service from Lechmere Station through the communities of Cambridge, Somerville, and Medford with an extension of the main line to Route 16 and an adjunct line to Union Square.

EOT will present an overview of the project, an environmental analysis, recommendations for station sites, and the preferred project alignment.

You are invited to attend either of the meetings. Public input results in better projects. If you own a rental property in the project area, please notify your tenants of these meetings.
